## **PS Hairdressing donates hair to The Little Princess Trust**

The Little Princess Trust is a charity organisation who makes hair for children who have lost their hair because of chemotherapy treatment.

Many ladies (and some men) decide to take the plunge and have a radical new hairstyle, often asking their hairdresser to take it short or do something dramatic!

We are always happy to oblige requests like these AND we like to use these opportunities to help the Little Princess Trust at the same time.

At PS Hairdressing we make it very simple for you to donate your hair to the trust.

We will prepare and plait your hair, do before and after pictures- and once it's cut we post it for you.... You even get a certificate at the end of your visit. All you do is book for a cut with us which is £45.00 (or £22.50 with a graduate stylist)
